WEATHER FORECAST-Fair and warmer to-day; fair to morrow. Another Chapter To-Day

From the Third Floor Story of Curtains, Rugs and Blankets.

NOWHERE in the store do the new goods for fall use loom up more prominently than in our Curtain and Rug Department on the third floor. It's certainly a goodly showing that our people have prepared for the opening season and one of the best things about it all is the very moderate price for the best goods the market offers-as, for instance, Portieres that we price at \$5.00 per pair.

They are of heavy Reps, Armures and Tapestry weaves—all new and beautiful designs—3 yards to 3½ yar s long an 50 inches wide. They are excellent values at this price, and we know they'll give you entire satisfaction.

This portiere is merely a sample of what we have. There are other fine patterns and qualities, running in price from \$1.25 up to \$39.00, and each one a full value (and more, too) at the figure we ask.

Nottingham Lace Curtains

that will laundry well (because they are are made of fine net) are \$3.50 a pair. Designs all new, in pretty ruffle elects, \$3\(\frac{1}{2}\) yards and 4 yards long and 60 inches wide.

This is an especially good curtain.

Fine Ruffled Bobinet Curtains, with lace edge and finsertions, in twenty-five different styles, \$2.50 to \$5.00 a pair. Well made and good quality Dotted Swiss Curtains, with wide ruffles, f.r \$1.19 a pair, are an extra good value for this price.

You can get Curtains as low as 50c and as high as \$15.00.

Druggets and Rugs.

The universal opinion as to our display of Druggets and Rugs this fall is that it's the finest that's ever been in the city.

The Moquette and Fine Smyrna Druggets for \$30.00 are really exceptionally low priced when the size and quality are taken into consideration.

9 by 12 feet is a good sized floor covering, and our Moquettes and Smyrnas in a large range of Oriental and floral designs will, we know, appeal to every woman whose mind runs to culture and refinement in housefurnishing.

We've provided for every pocketbook. We have Drug ets as low priced as \$4.50, and while they seem 'cheap.' Yet there's nothing common about their appearance—no pretence that they are other than what they are, and that is the BEST that \$4.50 can buy.

Good quality of Smyrna Rugs, 36x72 inches, for \$2.50. Plenty of patterns in this lot.

Other Rugs from 65c up to \$25.00.

Couch Covers

of heavy tapestry, reversible and fringed all around, Oriental designs, 3 yards long and 50 inches wide, and only \$1.50 each

Other Couch Covers from this price up to \$7.50.

Table Covers

of Ottoman rib, extra good quality, 21/2 yards long by 2 yards wide. beautiful floral designs, heavily You can g t Table Covers, and good ones, too, on both sides of this price—as low as 25c and up to \$6.00.

Not much blanket weather yet, but the wise purchasers are already buying heavily from us.

Two Special Items To-Day-

One is a fine Sanitary Gray Wool Blanket, 11-4 size, for \$3.50, and 10-4 sixe for \$2.98. Ext a care taken in the selection of the wool and the manufacture of this

all right in every way.

You'll not expect much for the latter price, but maybe when you fringed; some of them with plain see ours you'll be agreeably disappointed.

POWHATAN SCHOOLS

New Rulings Will Bring Hardship to White Schools.

White Schools.

(Special Dispatch to The Times.)
POWHATAN C. H., VA., Sept. 10.—
The County School Board met here yesterday to arrange school matters and to fix on some day to start the schools for the coming session. Macon school will open up September the 29th, Spencer and Huguenot schools will not start up until the first Monday in October. The rules governing the schools as to age of scholars and the average daily or monthly attendance were read, and under direction of the Educational Board of the State, were adopted and ordered to be enforced. They are as follows: No State, were adopted and ordered to be enforced. They are as follows: No child can enter the school under seven years of ago, and none over the age of a twenty years can enter. The average faily attendance per month shall not be less than fifteen, and in the event the average is not made during the twenty days of the first school month the teacher is directed to close the school at once.

is directed to close the school at once This will work a great hardship to the white schools of this county, and in one of the districts (Macon) it is evident hat one-half of the white schools in that listrict will have to be closed, and in the other district will cause the moving of several school buildings and the com-

bining of several white schools, causing the children of many of patrons to walk several miles in order to get to any school at all.

school at all.

It has been very difficult in the last several years under the former rules to keep up these schools. Under the former rules children could enter at the school age of five years. About as many colored schools are run in this county as white ones, and the colored schools have no difficulty in making the required average, and even more, and in Macon District the trustees say that they have six white schools and six colored ones, and white schools and that at least three white schools will have to close under this plan adopted, and that the colored ale will not be affected at all; and when the matter of school taxes paid for county school purposes is looked into and they find that the bulk of this tax is paid by the white people, and they are deprived of as many schools as the colored man has, it is very much against the grain. White people are largely in the minority and the section not very thickly settled, and under the ruling of this fifteen average some of the best and heaviest tax-payers are cut off from the public schools as well as a number of other good and hard-working citizens, who are not blessed with so much of this world's riches, which this hardship will fall heavy on. We think and wonder when we think that the white people of this county pay in county levy for school purposes yearly \$1.817.84, while the col-ored only pay in \$225.34. Is there any ored only pay in \$225.34. Is there any reason why we should not be disgruntled? ...ere any justice or reason why we should be required to pay our money and then to be deprived of not letting our boys and girls have the benefit of it, or as much benefit as the man who pays a small pittance in this direction? We hope the Educational Board will see this as we see it, and that they may make some arrangements with our school su-perintendent and Board of Trustees so as our school may not be closed in the mouths of our children, but let them have at 8 o'clock to Miss Fannie Green at benefit of the money paid by their

DAMAGE SUIT

Charged With Insulting a Lady and Proved to Be the Wrong Man. (Special Dispatch to The Times.)

CHARLOTTE, N. C., Sept. 10 .-F. Gardner to-day filed papers in the clerk's office of Mecklenburg Superior Court in a suit for \$5,000 against J. S. Hasty, postmaster at Monroe. The suit grows out of charges made by Hasty to the effect that Gardner insulted Hasty's wife. The incident took place on the occasion of a recent visit of Gardner to Monroe

Hasty, it is alleged, accused him of having offered Mrs. Hasty an insult, and demanded an apology. Gardner finally agreed to face Mrs. Hasty, and she very promptly decided that he was not th man. BLOCK OF STORES TO BE ERECTED

Messrs. Myers and Raab Secure the Allan Property-Real Estate News.

It was learned yesterday that the Allan lot at Fifth and Main Streets had been purchased from the Masonic Temple Association, through J. Thompson Brown and Co., by Mr. A. M.
